MIDWEST BIOSCENE

ASSOCIATION OF MIDWESTERN COLLEGE BIOLOGY TEACHERS VOL. 7, #1, FEBRUARY 1981

TWENTY-FIFTH ANNUAL MEETING

This is a very special occasion in the history of AMCBT, for this year we celebrate our Silver Anniversary. Our meeting this year will be at CARROLL COLLEGE, WAUKESHA, WISCONSIN, October 2nd and 3rd. Our Local Host will be TED C. MICHAUD, a long time member of AMCBT. Waukesha, to refresh your memory before you consult your map, is just outside Milwaukee, to the west, and is a pretty part of Wisconsin. Make your plans now to attend, and to bring a colleague. Hopefully the economy might be brighter this fall.

Program Chairman for this meeting is Bill Doemel, Department of Biology, Wabash College, Crawfordsville, IN 47933. Bill will be contacting some of you to solict your talents and intellectual abilities. Please be generous to Bill and help make this a meeting to remember. Preliminary plans look good, but as has been said many times in this journal, the success of any meeting depends on the members. If you have any suggestions, ideas, likes, dislikes, peeves, etc., please contact Bill and let him know. AMCBT is you, the active member.

WANTED: THE EXECUTIVE SECRETARY WOULD LIKE TO SOLICIT THE ASSISTANCE OF ALL MEMBERS TO SERVE ON A MEMBERSHIP COMMITTEE. EVERY MEMBER SHOULD STRIVE TO OBTAIN ONE NEW MEMBER BEFORE THE ANNUAL MEETING. WE WILL EVEN PUT YOUR NAME IN BIOSCENE (OR NOT AS IT SUITS YOU). NEW MEMBERS ARE OUR LIFEBLOOD. LET'S NOT PRACTICE ASSOCIATION ZPG.
